

# Studio Series FitnessBalls

## BodySport® Studio Series FitnessBalls

- Ideally packed for use in fitness facilities
- Each ball is individually packaged with two plugs, a plug removal tool and a convenient measuring tool to ensure proper inflation
- Unique label allows facilities and trainers to track when a ball was placed into service to maintain a safe fitness and wellness environment; this exclusive feature ensures that balls can be inspected and removed from service based upon facility's standard equipment inspection and replacement plan
- Available in Regular or Slow Air Release (antiburst) versions
